

January 20, 2017

Dear Parents,

OMC is hosting a Career Day during Catholic Schools' Week. We are looking for volunteers to speak to our students. If you or someone you know has an interesting career and would like to talk with the students, please let us know!

Career Day will be held in school on Thursday, February 2 beginning at 1:00pm. The number of career volunteers will determine the number and length of time for each rotation. We would be truly grateful for your time and support!

If you are interested, please contact Melissa Logan- [mlogan@omcparish.com](mailto:mlogan@omcparish.com) by January 24, 2017.

Thank you!
