

Our Mother of Consolation Parish School

*Cell Phone Registration***

(Please refer to the Handbook of School Policies)

This is to verify that _____ in Grade _____ will carry a cell phone to school. This is done with the understanding that the cell phone is turned off and stored in my son/daughter's school bag at all times. The cell phone may be used on the school grounds only with the permission of a teacher, the Administrative Assistant or the Principal.

I understand that cell phones used in any other manner and in the possession of my child will be confiscated and stored in the school office. The cell phone will be returned to me personally and not my child.

I also pledge to instruct my child in the proper use of his/her cell phone so that it is not used in such a way that might demean the dignity of another person.
